Since the Oct 9th meeting with HCTRA is confirmed, the USOR meeting on 10th afternoon will work out. I will plan a flight back around that. Thanks.

Raji

I just talked to Adam and he confirmed he is good with October 10th in the afternoon, so it looks like we are good with the schedule as you proposed below for USOR.

Terry Andrews says he will also be in attendance on USOR. Tricia is double checking with Mike from HCTRA to confirm HCTRA's attendance that day as well.

So 90% complete to all having all confirmations necessary

Stand by as we have a call/email into HCTRA

Sorry it has taken me some time to respond. Have been trying to iron out various logistics. My original purpose of coming to Houston was to oversee site work at the South Cavalcade site. However, since it also works out to have the HCTRA meeting at that time tried to work my schedule around that. Also trying to figure out how best to incorporate the USOR visit. Here is what I propose and let me know if this works.

- Tues Oct 9th morning - HCTRA meeting at ENVIRON office
- Tues Oct 9th afternoon - South Cavalcade site work
- Wed Oct 10th morning - South Cavalcade site work
- Wed Oct 10th afternoon - USOR meeting/site visit

BTW Fay Duke (TCEQ) is also going to be coming for the South Cavalcade site work so she indicated she can also come for the HCTRA meeting. Tues Oct 9th morning works for her also. She will then head to S. Cavalcade.

Thanks.

I am working with Tricia on the HCTRA projects that include both the North and South Cavalcade projects. We are looking forward to seeing you here in our office one of those two days which ever works best for you. Also, we were trying to see if we can add a day to your schedule a visit with Adam Adams on either October 9th or 10th for an introductory Technical Meeting for US Oil Recovery. ENVIRON is the consultant on that project as well.

WE would really appreciate this opportunity to introduce you to our Technical Team, and review the Removal actions to date and the near future and take a tour of the site/facility. TCEQ (Terry Andrews) has also said he can be here either of those 2 dates which ever works for you.

Could you please call me when you get a minute and we can discuss this great opportunity for all projects involved.

Best Regards

~Brent
